On Stage Coaching

**Perfectly Stage
Media Appearances**

Content

Public appearances belong to the strongest communication channels available to you. Also in a moment of crisis, you have to know how to "go on".

Building Blocks to Success :

Well-directed handling of media (television, stage, interview), developing, testing and training core messages, preparing speech texts and presentation strategies, coaching ad hoc manoeuvres for critical journalists/ audiences

Optional: Effective controls in studio atmosphere, professional colour and style consultation, recording messages, corporate communications

Advantages

- Confident and professional public appearances
- Anticipate possible conflict potentials
- Diminish stage fright
- Reinforce personal communication skills

Methods

Individual and on-site coaching, video analysis

Duration

According to individual situation and performance package
